

## Koru

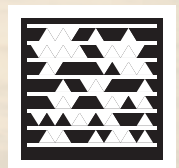

The Koru is a modern adaptation of some of our older hunting canoe designs. By adding tumblehome and extending the waterline slightly, the Koru features an efficient hull that can really glide. Designed with a minimum amount of rocker this canoe is not only eye catching, it will track to your destination with ease. Lightweight and durable, the Koru has it all.

### FEATURES

- Lightweight fiberglass construction
- Shallow arch hull built for performance
- Flared sides with tumble home
- Minimum rocker
- Cherry wood web seats with curved construction
- Cherry wood deck
- Ash gunwales
- Cherry thwart and yoke
- Cherry carrying handles
